The success of the vendor show is based on how well we all work together.

Please help me with sharing this event on facebook!!!

You will need to provide your own table and chairs!!

Your spot is ONLY secure once I've received payment and a physical copy of your contract. Please do NOT send your contract via messages or email. If you cannot print the application please handwrite it and send it.

Tents- Please weigh your tents down. You must have at least 100 lbs in weights holding it down.

Lights- If you have battery operated lights bring it for the late night shoppers!! There will be lights outside but they cannot display your items nicely under the tents.

We do not have electricity. Electricity is limited and going to the food trucks. <<<YUMMMMM

Booth sharing is allowed but you must pay full price for each business.

We will be walking through the tents and if you are displaying items that you did not signed up to sell you will be asked to take them down immediately.

There will be security around all night if you would like to close up your tent and leave everything up. But we cannot guarantee nothing will be taken

The Malta Days Committee has worked SO hard on this and CANNOT wait to share all the exciting things with you all!!
